X _____

X _____

CONDOMINIUM:

A development where individuals own dwelling units but share common areas with the other unit owners of the complex. The maintenance of the common areas etc. is taken care of by the Condominium Corporation in which every unit owner owns a share and has voting rights. The Condominium Corporation is created by the registration of a Declaration and by-laws on title to the property and all individual units.

CONDOMINIUM OWNERS ASSOCIATION:

An organization made up of unit owners in a condominium development established to govern relations between the owners and to administer the rules, by-laws and covenants of the condominium.

MONTHLY ASSESSMENT FEE: \$105.00

Fee pays for mowing, garbage pick-up, snow removal, landscape maintenance, exterior maintenance including mailboxes, benches, etc. plus insurance on building exterior and grounds.
